Hurricane Joaquin passed through some of the islands of the Bahamas in October 2015.

Hurricane Joaquin caused Club Med to close for a few months including January 2016 and the airport on the island was still under repair by this month. This meant that the number of air arrivals into San Salvador in January 2016 was low compared to the number of air arrivals in January 2017.

In October 2016, Hurricane Matthew passed through the Islands of the Bahamas but it did not hit San Salvador directly and therefore in January 2017, Club Med was not closed like it had been in January 2016.

Marsh Harbour arrivals include Cherokee Sound and North Eleuthera numbers include White Crown.
