Other all-inclusive properties are geared toward families, with facilities like craft centers, game rooms and water parks. Hotels/Resorts are also very popular locations for destination weddings.
 <b>APARTMENT/HOTELS</b>	<b>Apartment Hotels</b> are buildings containing both apartments with self-catering facilities and individual hotel guestrooms under common ownership and management.

 <b>CONDO HOTELS</b>	<b>Condo Hotels</b> , also known as <a href="#">hotel-condos</a> or <a href="#">Condotels</a> , are buildings used as both a condominium and a hotel. These hotels have condominium units which allow individuals/companies to own a full-service vacation home. When the home is not in use by an owner, the hotel's marketing and management can be leveraged for rentals and to provide a return on investment. Condo hotel rooms must be included in the hotel room inventory for a minimum of nine (9) months of each year.
 <b>DIVE LODGES</b>	<b>Dive Lodges</b> offer scheduled diving and snorkeling activities – night dives, shark dives, and one-on-one Specialty Dives. Additionally, some offer SCUBA Certification, <b>Nitrox</b> Certification, <b>SASY</b> equipment for kids, and introductory <b>SCUBA</b> lessons.
 <b>ECO LODGES/HOTELS</b>	<b>Eco Lodges/Hotels</b> are accommodations that have been designed or have made important environmental improvements to their structures, to minimize impacts on the environment. The lodges can vary in style and décor from rustic, outposts to elegantly outfitted fishing clubs.
 <b>RESORT HOTELS</b>	<b>Resort Hotels</b> are full-service properties that offer a range of amenities and recreation facilities. Resorts serve as the primary provider of the guests' experience, often offering services for business or meetings, and are characteristically located in vacation-oriented settings.

These properties are typically condominium style units, comprising no less than 50 units in New Providence or Paradise Island and no less than 25 units in the Family Islands, in which multiple parties hold rights to use the property. Each purchaser holds a registered interest by way of leasehold and is allotted a period of time (not exceeding six months in any given year) in which to use the property. Timeshares located in hotel environments are dubbed Timeshare /Hotels and are dual purpose facilities which enable purchasers to avail themselves of amenities within the hotel and the hotel operator to expand inventory through rental of time-sharing rooms during periods of peak demand.
