Condo hotel rooms must be included in the hotel room inventory for a minimum of nine (9) months of each year.

These properties are typically condominium style units, comprising no less than 50 units in New Providence or Paradise Island and no less than 25 units in the Family Islands, in which multiple parties hold rights to use the property. Each purchaser holds a registered interest by way of leasehold and is allotted a period of time (not exceeding six months in any given year) in which to use the property.
