The decrease in the Out Islands primarily came from San Salvador which saw a -92.5% drop as a result of Hurricane Joaquin which passed through some of the islands in the Bahamas in October 2015.

Hurricane Joaquin caused Club Med to close for a few months and the airport on the island was still under repair in January 2016. Additionally decreases can be seen in Long Island and Inagua both of which were impacted by Hurricane Joaquin. The re-building on islands affected by the hurricane still continued into January 2016.

In 2015, Easter fell in April but in 2016 it fell in March.

The increase in air arrivals to Bimini in March can be attributed in part to increased airlift to service the new hotel and replace the Bimini Fast Ferry.

The downward trend in arrivals to Grand Bahama can be attributed in part to the under performance in the Sunwing flights due to the devaluation of the Canadian dollar and the slump in the Canadian economy.

The downward trend in air arrivals to Grand Bahama can be attributed in part to the under performance in the Sunwing flights due to the devaluation of the Canadian dollar and the slump in the Canadian economy.

Delta Airlines added more flights per week in North Eleuthera in June 2016, and accounts in part for the significant increase in air arrivals for that airport.

Sea arrivals namely cruise arrivals to the Bahamas were slow in the 1st qtr. of 2016 but began to show significant improvements in the 2nd quarter of 2016. In 2nd Qtr. 2016, Cruise arrivals (which help to make up sea arrivals) by 1st port of entry grew by 5.9%. Most of this growth in cruise arrivals occurred in New Providence.

Sea arrivals namely cruise arrivals to the Bahamas were slow in the 1st qtr. of 2016 but began to show significant improvements in the 2nd quarter of 2016. In 2nd Qtr. 2016, Cruise arrivals (which help to make up sea arrivals) by 1st port of entry grew by 5.9%. Most of this growth in cruise arrivals occurred in New Providence. In 3rd Qtr. 2016, cruise arrivals (1st port of entry) grew by 11.9% and this further helped to bolster sea arrival growth to New Providence.

Hurricane Joaquin passed through the islands of the Bahamas in October 2015. Club Med San Salvador suffered damages and was

closed for November 2015 for repairs but was open in Nov. 2016. Hurricane Matthew passed through New Providence, Grand Bahama, and some of the other islands of the Bahamas between October 5-8, 2016 and caused hotel closures in Nassau/P.I., Grand Bahama Isl., Exuma and other islands. The One and Only Ocean Club on P.I. closed for repairs as a result of Hurricane Matthew and the Sandals Royal Bahamian Resort which had closed in September did not reopen as early in October 2016 as originally planned. The Sandals Emerald Isle Resort in Exuma also closed as a result of Hurricane Matthew and was scheduled to re-open by mid December 2016. The Memories Resort in Grand Bahama also closed as a result of Hurricane Matthew and the Grand Celebration which normally cruises to Grand Bahama every other day, was rerouted to Bimini instead of GBI because of the ravishes left behind by Hurricane Matthew in October 2016. The Grand Lucayan Resort in Grand Bahama was open for only a few days in October 2016 prior to Hurricane Matthew and as a result of the hurricane damage sustained, was not in full operation in November and December 2016.

Hurricane Joaquin passed through the islands of the Bahamas in October 2015. Club Med San Salvador suffered damages and was closed for December 2015 for repairs but was open in December 2016. Hurricane Matthew passed through New Providence, Grand Bahama, and some of the other islands of the Bahamas between October 5-8, 2016 and caused hotel closures in Nassau/P.I., Grand Bahama Isl.,

Exuma and other islands. The One and Only Ocean Club on P.I. closed for repairs as a result of Hurricane Matthew and the Sandals Royal Bahamian Resort which had closed in September did not reopen as early in October 2016 as originally planned. The Sandals Emerald Isle Resort in Exuma also closed as a result of Hurricane Matthew and was scheduled to re-open by mid December 2016. The Memories Resort in Grand Bahama also closed as a result of Hurricane Matthew and the Grand Celebration which normally cruises to Grand Bahama every other day, was rerouted to Bimini instead of GBI because of the ravishes left behind by Hurricane Matthew in October 2016. The Grand Lucayan Resort in Grand Bahama was open for only a few days in October 2016 prior to Hurricane Matthew and as a result of the hurricane damage sustained, was not in full operation in November and December 2016.

Sea arrivals namely cruise arrivals to the Bahamas were slow in the 1st qtr. of 2016 but began to show significant improvements in the 2nd quarter of 2016. In 2nd Qtr. 2016, Cruise arrivals (which help to make up sea arrivals) by 1st port of entry grew by 5.9%. Most of this growth in cruise arrivals occurred in New Providence. In 3rd Qtr. 2016, cruise arrivals (1st port of entry) grew by 11.9% and this further helped to bolster sea arrival growth to New Providence.

In 4th Qtr. 2016, Hurricane Matthew significantly impacted cruise arrivals to Grand Bahama and some of the Out Islands but the lost of cruise business to those islands was counteracted by an increase in cruise business to New Providence which was not hit as severely by the hurricane as the other islands so despite the hurricane, cruise business to the Bahamas in 4th qtr. still grew to New Providence (1st port of entry). By the end of 2016, cruise arrivals were up by 3.9% (1st Port of entry) and contributed significantly to the 3.2% increase in overall sea arrivals to the Bahamas during the year.
