In August 2019, Hurricane Dorian began its track through the Southern Islands of the Bahamas. It skirted all of the Central and Southern Islands of the Bahamas as it focused in on the Northern islands of the Bahamas: Abaco and Grand Bahama.

On September 1, 2019, Hurricane Dorian slammed into the islands of Abaco and GBI as a category 5 Hurricane. International Flights to Grand Bahama came in through the airport in West End.

In September 2017, Hurricanes Irma and Maria passed through the Caribbean islands and the Southern Bahamas and caused significant damage to many cruise ports in the region. Many ships that had been destined for other ports, were re-routed to Nassau/P.I. as a result of these devastating Hurricanes. Fourth quarter cruise expenditure in Nassau/P.I. increased significantly as a result of the increase in cruise arrivals and average expenditure of the cruise visitors to the island during this period. The re-routed ships had a significant impact on cruise expenditure during the 4th qtr. 2017.

In 2017, there was a significant increase in the percentage of cruise visitors to Nassau/P.I. that went shopping than in 2016 and the hurricanes heavily influenced this increase.

In 2020, three in four (75%) cruise visitors who got off the ship in Grand Bahama went shopping compared to 80% in 2019. Cruise Visitors to Grand Bahama bought T-shirts, clothing, jewelry, straw work, perfumes and cosmetics, liquor, linen, tobacco, and china/crystal and a host of other goods. In Grand Bahama, many tours and excursions included shopping as one of the scheduled things to do on the itineraries, this was one of the reasons that a higher percentage of cruise visitors went shopping in Grand Bahama (75%) than in Nassau/Paradise Island (64%) in 2020.

In this survey, a distinction is made between the traveling party size and the number of people expenses relate to, because there was a significant percentage of people that traveled as a group or as a family but their expenses did not relate to all of their traveling companions but to a smaller party within the larger group.

45. What is Tourism?

Tourism: The “activities of persons traveling to and staying in places outside their usual environment for not more than one consecutive year for leisure, business and other purposes not related to the exercise of an activity remunerated (i.e. without receiving a salary/wage for said activity/activities) from within the place visited”. (Source: United Nations World Tourism Organization UNWTO, & *Wikipedia, The Free Encyclopedia*).

TYPE OF VISITORS

Visitors to the Islands of The Bahamas can come to the Bahamas by air or by sea.

Air arrivals are persons that come to the destination by air and include: stopover visitors, day visitors, & transits.

Sea arrivals are persons that come to the destination by sea and include: cruise arrivals, cruise stopover visitors and boaters/yachters.

Stopover/Stayover Visitors are travelers that travel outside of their normal environment for any purpose other than to be employed by a resident entity, and stay in the destination for 24 hours or more but less than a year. Some examples of stopover visitors include persons that stay in hotels, private boats/yachts, vacation rentals, timeshares, etc.

Cruise Stopover Visitors are a special category of stopovers that come to the destination on a cruise ship but get off and stay in other land-based or other accommodations upon arrival.

Cruise Visitors are travelers that travel outside of their normal environment on a cruise ship for any purpose other than to be employed by a resident entity and use the ship for their accommodations.

Day Visitors are travelers that travel outside of their normal environment for any purpose other than to be employed by a resident entity and stay in the destination for less than 24 hours.

Transits are persons that are simply passing through a country/destination on their way to somewhere else.
