There were no cruise ships to the Bahamas between April to June 2020 and none between August to November 2020.

Balseria resumed service to both Bimini and Grand Bahama in February 2021.

Nassau/P.I. was the port of embarkation for cruises done by RCCL in June 2021

Technically you cannot calculate a % increase from zero, but 100% was inserted manually in the above tables in some instances and used as placeholders to show that there were significant increases between 2020 and 2021 in the period.

Note: These are preliminary figures, and are subject to revision.

2nd and 3rd ports of entry for cruise arrivals are only to be used if an analysis is being done by individual island and you do not want the count for the Bahamas as a whole. If you want a count for the Bahamas as a whole you must look at 1st port of entry only to avoid double counting.

Technically you cannot calculate a % increase from zero, but 100% was inserted manually in the above tables in some instances and used as placeholders to show that there were significant increases between 2020 and 2021 in the period.

The figures are preliminary and subject to revision.
