These statistics of First Place of Entry reflect where visitors enter The Bahamas and not necessarily where they stay.

These statistics are based on the Immigration Department's count taken from ships' manifest and entry cards collected from all arriving foreigners. Military and diplomatic personnel entering on official duty, foreign residents in The Bahamas also ship and airline crews who do not stay overnight in The Bahamas are excluded.

These statistics of First Place of Entry reflect where visitors enter The Bahamas and not necessarily where they stay.

These statistics are based on the Immigration Department's count taken from ships' manifest and entry cards collected from all arriving foreigners. Military and diplomatic personnel entering on official duty, foreign residents in The Bahamas also ship and airline crews who do not stay overnight in The Bahamas are excluded.

These statistics of First Place of Entry reflect where visitors enter The Bahamas and not necessarily where they stay.

These statistics are based on the Immigration Department's count taken from ships' manifest and entry cards collected from all arriving foreigners. Military and diplomatic personnel entering on official duty, foreign residents in The Bahamas also ship and airline

crews who do not stay overnight in The Bahamas are excluded.
