In August 2019, Hurricane Dorian began its track through the Southern Islands of the Bahamas. It skirted all of the Central and Southern Islands of the Bahamas as it focused in on the Northern islands of the Bahamas: Abaco and Grand Bahama. On September 1, 2019, Hurricane Dorian slammed into the islands of Abaco and GBI as a category 5 Hurricane. In 2020, the COVID-19 pandemic closed the ports of entry at the end of March 2020 to cruise traffic and only the Balearia which operates like a ferry/cruise resumed service briefly in the third quarter of 2020. The Balearia brought in a few cruise passengers and cruise stopovers into Grand Bahama and the Out Islands in the 3rd quarter 2020 when they had briefly resumed services. Balearia was also the only ferry/cruise to go to GBI and Bimini in 1st. Qtr. 2021 Cruise stopover expenditure is not included in the above table.
