All numbers are subject to revision as Immigration cards come in. Stopover Visitors in this table are based on place of stay and not port of entry.

The Lynden Pindling Airport in Nassau in the Bahamas was closed on Sept. 8th and 9th 2017 in anticipation of Hurricane Irma. Hurricane Irma passed through The Bahamas between September 8 to 11, 2017, although some airports in the Bahamas closed on the 7th in anticipation of the storm. Some islands like Grand Bahama and Bimini did not sustain direct hits from the hurricane but were severely affected by tornados that spun out as a result of Hurricane Irma as that storm approached Florida.

Hurricane Maria passed close to the Southern Islands of the Bahamas and near the Turks and Caicos Islands on September 22, 2017.

Hurricane Jose stayed in the Atlantic Ocean but meandered off the coast of some of the Caribbean islands September 9th to September 17, 2017. Hurricane Matthew passed through the Islands of the Bahamas between October 5 to 8, 2016 and did cause hotel closures in Nassau/P.I. & other islands that extended into 2017.

All Information in yellow is subject to change as additional immigration cards come in.

All numbers are subject to revision as Immigration cards come in. Stopover Visitors in this table are based on place of stay and not port of entry. Hurricane Joaquin passed through the islands of the Bahamas in October 2015. Club Med San Salvador suffered damages and was closed for December 2015 for repairs but was open in December 2016. Hurricane Matthew passed through New Providence, Grand Bahama, and some of the other islands of the Bahamas between October 5-8, 2016 and caused hotel closures in Nassau/P.I., Grand Bahama Isl., Exuma and other islands. The One and Only Ocean Club on P.I. closed for repairs as a result of Hurricane Matthew and the Sandals Royal Bahamian Resort which had closed in September did not reopen as early in October 2016 as originally planned. The Sandals Emerald Isle Resort in Exuma also closed as a result of Hurricane Matthew and was scheduled to re-open by mid December 2016. The Memories Resort in Grand Bahama also closed as a result of Hurricane Matthew and the Grand Celebration which normally cruises to Grand Bahama every other day, was rerouted to Bimini instead of GBI because of the ravishes left behind by Hurricane Matthew in October 2016. The Grand Lucayan Resort in Grand Bahama was open for only a few days in October 2016 prior to Hurricane Matthew and as a result of the hurricane damage sustained, was not in full operation in November and December 2016.

All numbers are subject to revision as Immigration cards come in. Stopover Visitors in this table are based on place of stay and not port of entry. Hurricane Joaquin passed through the islands of the Bahamas in October 2015. Club Med San Salvador suffered damages and was closed for December 2015 for repairs but was open in December 2016. Hurricane Matthew passed through New Providence, Grand Bahama, and some of the other islands of the Bahamas between October 5-8, 2016 and caused hotel closures in Nassau/P.I., Grand Bahama Isl., Exuma and other islands. The One and Only Ocean Club on P.I. closed for repairs as a result of Hurricane Matthew and the Sandals Royal Bahamian Resort which had closed in September did not reopen as early in October 2016 as originally planned. The Sandals Emerald Isle Resort in Exuma also closed as a result of Hurricane Matthew and was scheduled to re-open by mid December 2016. The Memories Resort in Grand Bahama also closed as a result of Hurricane Matthew and the Grand Celebration which normally cruises to Grand Bahama every other day, was rerouted to Bimini instead of GBI because of the ravishes left behind by Hurricane Matthew in October 2016. The Grand Lucayan Resort in Grand Bahama was open for only a few days in October 2016 prior to Hurricane Matthew and as a result of the hurricane damage sustained, was not in full operation in November and December 2016.
